Request to Reassess: Learning Target Reassessment Application

I would like to reassess on Chapter _____ Learning Target #_____
*Only one learning target may be addressed on this form.
Previous Score: *(circle one)*

No Demonstration	Beginning	Developing	Proficient	Master	Expert

I didn't originally get a score I was proud of because

During this chapter, I have been an active participant in class by

On the reassessment, I expect to score a _____ because

In order to improve my understanding of this learning target & to reassess, I have completed the following:
*Check our class website for ideas on how to improve your mastery ☺

1. Achieved a complete or late on EVERY practice problem assignment in the chapter/unit

2. Assessment Corrections *(You must complete the corrections on the back of this form)*

3. _____

4. _____

Attach:
- ☐ Learning Check
- ☐ Proof of your activities

I understand I must complete one application for each learning target I would like to reassess on, and that I should only reassess on three or less learning targets per reassessment opportunity.

Student Signature: _____

Parent Signature: _____

```
To be completed by Teacher:

☐  Request Approved, Retake will be on:

☐  Not Approved Yet.  Reason:
```

Learning Target Corrections

Part of improving your understanding of the learning target you are reassessing on is to correct your errors and understanding your mistakes. Please correct and explain your error for EACH problem on the learning target you are reassessing.

Problem Number	Correct work and answer for problem	Type of mistake *(circle one)*	What I Did Wrong *(Detailed Complete Sentences)*
		Careless Computation Conceptual (Wrong Operation)	
		Careless Computation Conceptual (Wrong Operation)	
		Careless Computation Conceptual (Wrong Operation)	
		Careless Computation Conceptual (Wrong Operation)
